Message from the President

July is upon us.

July 4th: Once again we will sponsor a booth at the July 4th event. I wish to thank Dutch van Gessel, Jim & Kendra Harrington, Pete Cholometes, Rich Saunders, Sam Nichols and Tyler Heinemann for volunteering to set up and populate the booth. Without their help this event would not have happened. I also thank Chris Jensen and Jon Phelps for loaning the club the display tents.

Club maintenance: As I mentioned in the last newsletter we have had a number of people step forward to perform various tasks around the club. I was at the club yesterday and noticed that my dog disappeared in the overly tall grass and weeds that can be seen ... well ... most everywhere on the premises. If there is anyone

with a weedwacker, even a light duty wacker will do, who would be so kind to prowl the property and cut down the extensive collection of grass at least were we walk and/or drive it would be a great help.

Rifle Range: Rifle range activity continues. Just days ago we received our permit to begin the grading of the rifle range. Working with Chuck MacLearnsberry a grading plan will be developed and soon executed. This plan and permit is only for the grading of the range. A separate permit will be requested for the construction activities that will follow this grading.

Perhaps you have noticed the cedar logs at the front of the club property and wondered what they will be used for. We plan on having those logs milled and they will provide the required siding for the rifle range building. Hopefully in the next few weeks they will be milled and at that time I will be

asking for volunteers to help stack the wood in our barn.

Pistol or Trap Range: Make a point to bring a friend to the range. A short while back I met a fellow named Scott. We actually met at Rite Aid. As it turns out he is a shooter but due to life getting in the way he hadn't shot in a very long time. He told me that he had always wanted to shoot his father's military .45 ACP but never had. He also has a World War I Luger that he had never shot. Given that I love to reload it wasn't long before I crafted some modest loads out of respect for firearms that were approaching 75 and 100 years of age respectively. In addition to Scott shooting these fine old pieces he allowed me to shoot his dad's .45 and the Luger as well. The .45 shot like a house-a-fire. Surprising to me the barrel was pristine. I did not expect that. The Luger was interesting but I must confess John M. Browning's design was the clearly preferred by both of us. It was a bit of stepping back into history and just for a moment standing in the shoes of men two or three generation back. The moment was great but the best news is I have a new friend.

As always I can be contacted at 206-842-6016 or email alan@ajkasper.com.

From the Membership Chair

Thank you all for your patience as I juggle the processing the new membership applications and renewals, as well as my Archery RSO duties, and most recently my volunteer time with the Green Team at the Rotary Auction for the past ten days. If your membership comes up for renewal this month, or you've been delayed in returning your form, please visit the website to print off a copy (<http://www.bainbridgesportsmensclub.org/MEMBERSHIP%20APPLICATION.pdf>), or pick up an application on your next visit to the Club, and mail with your payment to the PO Box. You can also pay by credit card, by calling

Mark Emerson, Club Treasurer (you will find his phone number on the membership form).

Note: the Membership Application/Renewal form has been revised to include an option for an annual archery range unlimited use pass. The pass will cover range fees only, not equipment rental.

If you are interested in joining the Sportsmen's Club online community, we have an open group in Facebook (<https://www.facebook.com/groups/370794959723139/>) where we hope to exchange news of Club events, and to connect with the wider Bainbridge Island community to let them know of the Club activities that they can join. We look forward to "seeing" you there.

Thanks,

Shelley Schwinn
Membership Chair

Trap News

Thanks to Scott Youngs, Mike Okano, Jerry Perez, Jeff Mason, Sonny Dulay and grandson, and Ty Johnson for helping to get a new supply of targets.

The 2014, 11th annual, Olympic Interclub League
March 29th at Port Townsend (JCSA)
April 5th at Port Angeles
May 10th Bainbridge (at Poulsbo)
June 28th at Bremerton
July 19th at Gig Harbor
August 2rd at Poulsbo

The shoot includes 50 singles at 16 yds and 50 handicap at 22 yds, with an optional 50 bird event at the choice of the host club.

The interclub trap program is a lot of fun. It's simply a fun and friendly competition among the six clubs in our area. The competition aspect is very low key. If you enjoy shooting trap, I encourage you to come out and try it. All shoots start at 9:00 AM, and you can arrive any time after 8:00 to get signed up.

HELP NEEDED...

Any Range Safety Officer willing to learn to set up and close the trap range please contact Mike, Bob or Jerry.

For Sale

I'm selling my 2012 Browning Citori XT with 32" ported barrels, 2 ¾ chambers, right hand palm swell, adjustable comb, semi-beavertail forearm, gloss walnut grade III/IV, three chokes, Gold accented Nitride receiver, HiViz Pro-Comp sight.

I am the only owner and I have all the tools, accessories and original manual that came with it. The gun is in perfect working condition and has signs of normal use. The nitride receiver finish is discontinued and now Browning offers it in (cheaper) polished blued finish. The last time I saw the MSRP of my model was \$3,699. I am asking for mine \$2,450 and this price includes a nice gun case that I bought for it. Contact Jerry Perez 206-786-8248 or Jerry618@GMail.com. Thank you.

To our visitors:

We strive to ensure a Range Safety Officer arrives to open the pistol range every Saturday & Monday morning and on scheduled Tuesday evenings. Sometimes we are unable to be there for you due to RSO availability. On a date when the RSO slot says "TBD," it's a good idea to call the range phone before you come to be sure an RSO has opened the range. We don't want you to show up to a locked gate. 206-780-9374.

Thanks!
